New England Wellness Center
ADMISSION INFORMATION

Dear New Student:

The following health information is **required PRIOR to the start of New Orientation** by the college and the state of New Hampshire for your own safety and that of the college community:

1. A physical examination by your primary care provider within one year of entering the college. If you are playing sports at NEC your physical exam must be within 6months of entering the college. (See Physical Examination Form attached. Include any record of sports injuries.)

2. A completed personal and family medical history. Please use the form provided by your personal physician or the form at www.nec.edu in the student affairs drop down menu**.**

3. Immunization record as follows: **(Required)**
   - Two **Measles, Mumps, Rubella** (MMR) vaccinations. The second dose must be after age 4.
   - **Tetanus/Diphtheria or** vaccination within the past 10 years.
   - **Chicken pox** (either documented history of the disease and/or two Varicella vaccinations).
   - **Meningitis** vaccination .
   - **Polio** (documentation of having completed the primary series).
   - **Hepatitis B** vaccination (you must show that you have had all 3 doses).
   - **Tuberculosis** screening if indicated, check our health form for screening guidelines.

4. Records of significant illness that may require referrals while the student is at the college.
5. **Please use the forms provided or the forms at www.nec.edu in the student affairs drop down menu**

Neither the Wellness Center nor the college insurance administrator can be held responsible for pre-existing conditions that require ongoing attention. We will coordinate referrals as needed. If lab work for pre-existing illness is needed, it can be provided at NEC and billed directly to the student/parent. Lab reports can be faxed to the student's personal physician.

International students are required to purchase the college's basic insurance plan along with the international student insurance (Cultural International Student Insurance at www.culturalinsurance.com and to have an understanding of the insurance plan they have purchased through the college. All other fulltime students must show proof of insurance coverage or will be billed for the supplemental insurance plan. Direct calls can be made to the insurance administrator**, Richard J. Horan, at 1-800-327-7567.**

WE MUST have all immunization and medical histories, including last physical exam, on file BEFORE you arrives on campus. To adhere to safe medical practice, it is our policy not to treat any student whose medical records remain incomplete. **If you are planning on participating in any NEC sports team your physical exam must be no less then 6 months prior to admission to the college.**

Please feel free to contact us during our working hours – Monday through Friday from 8:30 p.m. to 4:30 p.m. – if you have any questions or concerns. We can be contacted through phone at (603) 428-2253 or through email at jtraxler@nec.edu

We look forward to meeting you and assisting you with your health and wellness needs.
