New England College

Engaged Student Scholarship: Academic Achievement and Progress

APPLICATION DEADLINE: FRIDAY, MARCH 1, 2013

Scholarship Description

The Academic Achievement and Progress Scholarship awards students who demonstrate a **high degree of academic achievement** and/or students with a **history of improved academic progress** at New England College. The College values students who are **actively engaged** in the **academic life** of the institution. Furthermore, the College wishes to reward those students who have made significant and sustained improvement in their academic performance, including academic improvement while at college and/or improvement over high school or previous institution cumulative grade point average. Limited, competitive scholarships range from **$500** to **$2,500** and are granted for the 2013-2014 academic year. The award is based primarily upon merit although financial need may be taken into consideration.

Eligibility

- Undergraduate students who have earned (or who anticipate earning) **12 or more credits** by the end of the Spring 2013 semester at New England College,
- Undergraduate students who have a **2.50 or higher** cumulative grade point average, and
- Undergraduate students who are in **good standing** with New England College.

Requirements

In two double-spaced pages or less (10-point font), compose an **original essay** describing:

- your participation in **academic life** at New England College
- your **academic improvement** while at New England College
- your **academic goals for next year** at New England College
- your **goals after graduation** from New England College
