New England College

Engaged Student Scholarship: Community Involvement & Leadership

APPLICATION DEADLINE: FRIDAY, MARCH 1, 2013

Scholarship Description

The Community Involvement and Leadership Scholarship benefits students who are **committed to the campus and local community** through **active participation** and **leadership**. Students may demonstrate such commitment though involvement in a number of community activities, including but not limited to campus activities, clubs, academic programs and organizations. A limited number of competitive scholarships ranging from **$500 to $2,500** will be granted for the 2013-2014 academic year. The award is based primarily upon merit although financial need may be taken into consideration.

Eligibility

- Undergraduate students who have earned (or who anticipate earning) **12 or more credits** by the end of the Spring 2013 semester at New England College,
- Undergraduate students who have a **2.50 or higher** cumulative grade point average, and
- Undergraduate students who are in **good standing** with New England College.

Requirements

In two double- spaced pages or less (10-point font), compose an **original essay** describing:

- your **past and current** participation and leadership roles at New England College and/or in the community
- your participation and leadership goals for **next year** at New England College and/or in the community
- your participation and leadership goals **after** graduation from New England College
