

NEC In Touch

November 2012

One of the founding principles of [New England College](#) was to offer access to educational programs to the service men and women returning from World War II. Today, hundreds, perhaps thousands of military veterans call NEC their school. And for the fourth straight year, G.I. Jobs has named New England College (NEC) to its list of Military Friendly Schools® for 2013.

We continue to pride ourselves on embracing those who have served our country with pride and honor. In this season of Thanksgiving and in recognition of Veteran's Day, we extend special thanks to our family of veterans and all U.S. military veterans who have given so much on our behalf.

ON CAMPUS

HOW YOU CAN HELP

Many alumni ask, "[how can I help](#)"? Here are some opportunities to consider:

Offer an Internship at your company - The Alumni Office, in partnership with [Career & Life Planning](#) (CLP), has developed a new way for you to give back to and stay in touch with your alma mater. Does your company or organization sponsor internships for students? If so, fill out the [online form](#) which will enable you to post and publicize the internship. If you have any questions on offering internships for students, please contact Gene Durkee at edurkee@nec.edu, or 603 428 2358.

Give a Gift to the Annual Fund - Contributions to the NEC Annual Fund help to continue the student-centered, nurturing environment for which New England College is renowned. Because gifts to the [NEC Annual Fund](#) are not designated for a specific purpose, the College can use those gifts wherever the need is greatest. Every gift, no matter what size, does make a difference. Participation from our own college community encourages participation from external sources. Although large gifts are vital to the success of the college's programs, participation in any amount is equally important. Thus, a dollar for New England College is a vote of confidence for New England College. [Make your gift online today!](#)

Share Your NEC Story - Nothing is more powerful to current and future students and their parents than the stories of successful alumni. Help us spread the word about the amazing place that is New England College by [adding your chapter](#) to the story.

Submit a nomination to recognize a deserving alumnus. Nominations for the [2013 Alumni and Athletic Hall of Fame Awards](#) are now being accepted. All members of the NEC community are eligible to submit nominations. [Click here for the online nomination form](#) or contact alumni@nec.edu for more information.

Get involved! Help plan your class reunion. Serve on the [alumni association board of directors](#). Attend an [alumni event](#). Come back to campus for alumni weekend or winter carnival. Contact us at alumni@nec.edu for more information about these opportunities or to let us know how YOU would like to help.
