

Signing up for NEC Sports Score Services

You can sign up for the NEC sports scores by entering the following address in your internet Browser:

<http://www.e2campus.com/my/nec/>

and then follow these steps:

1. When the sign- in screen appears, click on the “I need to create an account” link (in the bottom of the gray box).
2. When the next screen loads, fill in all of the fields:
 - Username
 - First name
 - Last Name
 - Password (and verify the password)
 - Mobile Phone # (with dashes) and Carrier (that is your Cell Phone Company)
 - Choose the “Athletics” group on the list of optional groups
 - Choose an Opt-Out Date (we suggest “December 31, 2012”)

Note: Be sure to make a good note of your username and password – you will need them in a few minutes!

3. You should receive a text message on your phone within a few minutes. When that happens, enter the code inside the text message onto the next screen, and then click on the “Validate” key in the gray box.
4. After you do so, you will be redirected to the initial log on screen. Enter your new username and password, and you will see your new account information. Congratulations!!
5. If you want to enter a second cell phone number, or if you want to add an e-mail address for sports scores e-mails, continue on
6. In the red and orange bar on the “Welcome” screen, , click on the “Services” tab. That will take you to another screen
7. At this time, you can enter another cell phone, if you would like another phone to receive emergency messages or other alerts.

8. You can enter an e-mail address on this page, which will result in all e2Campus notifications being sent to your e-mail as well. If you do enter an e-mail address, you will get an e-mail, which will contain a link for you to click. Click on that e-mail, and you will see a "Verified" screen appear. Your cell phone and e-mail addresses are activated!

You can have up to two cell phones and two e-mail addresses in the system at any one time. You can add or delete these items in your "Service" area (always found by clicking in the red and orange bar).
