## Pilgrim Baseball Camp

Pilgrim Baseball Camp (ages 8-12) is designed for the Little League age baseball player of any ability who hopes to enjoy the great outdoors, acquire greater baseball knowledge, and have fun playing the world's greatest game. The camp offers an opportunity to meet new friends and develop new skills.

### Camp Design

We strive to improve technique and confidence in all campers through small-group instruction in the mornings that focus on hitting, fielding, bunting, and positional play. A series of controlled scrimmages and noncompetitive drills in the afternoon will allow campers to test the new skills they've learned and give coaches a chance to evaluate and critique each camper individually. The emphasis is on the fundamentals of baseball, and it is our goal to make sure every camper has an enjoyable experience that stresses teamwork and fair play.

### Safety

A certified athletic trainer will be present at the camp at all times. Expenses resulting from illness, injury, or accidents are the responsibility of the camper's parents/guardians.

### Lunch

There will be a 45-minute break for lunch. **Campers will need to provide their own lunch.** Water will be issued throughout the day; campers should provide their own water bottles.
