

NEW ENGLAND COLLEGE SCHOOL OF GRADUATE & PROFESSIONAL STUDIES

Master of Science in Sports and Recreation Management: Coaching

Program Information

The concentration in coaching provides a strong foundation in management of sports and recreation programs as well as the advanced skills and knowledge that prepare students to meet the challenges of coaching in colleges and universities today. This is a 36-credit program maximizing on-the-job learning and online coursework, designed to be completed in one year. Two off-season residencies at the beginning and end of the program enable students to complete coursework efficiently with additional faculty and cohort support. Online program begins July 5, 2010, residency begins August 1– August 6, 2010.

Core Courses (all courses are 4 credits, unless noted)

*Research Methods (Aug. 1 - Aug. 6, 2010, Online begins July 5, 2010)

*Theoretical Aspects of Sport Psychology (Aug. 1 - Aug. 6, 2010, Online begins July 5, 2010)

*Capstone Project (Last class and Residency course, Aug 4 - August 6, 2010)

Practical Applications of Sport Psychology

Marketing and Communications in Sport

Management Practice in Sports and Recreation

Current Issues in Coaching & Sport Management

Legal and Ethical Issues in Sport

Coaching Portfolio I & II (2 credits each)

Core courses are designed for a student seeking a comprehensive understanding of sport and recreation management. The foundational courses provide a theoretical and conceptual base of the sport and recreation management industry. Research classes will teach students the necessary skills to investigate problems of practice and increase evidence-based decision-making. The Coaching elective courses will tailor educational expectations directly to the skills necessary for successful coaching. The primary emphasis will be on sports psychology and current trends and issues in the industry. Documentation is required for those currently coaching in lieu of taking the Internship in Coaching course.

Application Requirements

The concentration in coaching is designed for a person already involved in coaching at the collegiate or high school level who aspires to become a college coach. To apply, submit the online NEC Graduate School application (www.nec.edu), a current résumé, a personal essay describing your goals, background, and experiences that have led you to pursue a graduate degree, official college transcripts, and 2 letters of reference. No GRE scores are required. Applications will be accepted until the cohort is full. Program begins July 2010.

Tuition and Fees

Tuition is \$475 per credit. Mandatory residency fees:\$710 for the 6-day residency for 2d year students; \$300 for the 3-day residency for 1st year students. Room and board is included. *Residency Classes, online course for residency begins July 5, 2010 and ends August 21, 2010.
