

**HENNIKER COMMUNITY SCHOOL  
ELEMENTARY PHYSICAL EDUCATION PROGRAM  
HENNIKER, NH**

**Site Supervisor:** Peg Keeler

**Contact:** [keelerp@henniker.k12.nh.us](mailto:keelerp@henniker.k12.nh.us)  
(603) 428-3476  
Henniker Community School  
PO Box 2418, 15 Western Ave., Henniker, NH 03242

**Hours Student Needed:** For one or possibly two students

For elementary students :

- 5 week Sept-Oct and again 4 -5 weeks in Oct - Nov: Fall Games, approx. 2:30 – 4:30 Wednesdays
- 5 week session Jan –Feb and again 5 week session in March: Kidrobics, approx. 2:30 – 4:30 Wednesdays

For middle school students:

- Program for 5<sup>th</sup> - 7th graders on Thursdays. These would be primarily recreational games- ping pong; basketball; volleyball; floor hockey; flag football etc. Sessions would run for 4-5 weeks in conjunction with the elementary weeks & last 1 hour for middle school.

**Purpose:** A work-study program for PE students to work in an after-school program teaching & directing physical activities for middle school and elementary students. Focus would be on running large group activities. Full-time teacher/supervisor will remain as the administrative contact person, getting the permission slips, assisting with discipline and ensuring that parents are present for students at the conclusion of the activity. *This work-study job may also be taken for credit through the Education Department, subject to approval of the faculty.*

**Motivations/Interests/Skills Required:**

- Must be a prospective/potential PE teacher

**Position Description:**

- Planning & organizing the games
- Obtaining necessary equipment
- Doing or working the activities
- Cleaning up afterward

**Supervision:** Either Peg Keeler or another teacher will remain on site for any problems that could arise.

**Benefits to Intern:**

- Excellent was to gain experience as a PE teacher
- Learn to use public school resources in PE activities
- Gain skills running a large group activity
- Gain insights into behavior of elementary and middle school children
