*BREAK-OUT SESSIONS

Break-out sessions are designed in tracks. Please select the track (see the grid below) that best suits your needs and prior experience with NEC.

TRACK 1 – New to Campus:

This track provides an overview of the academic support services available at New England College. Learn what truly makes this a small, caring institution that is dedicated to providing students with individualized attention. If you are not familiar with NEC, please attend this session to learn more, and have your academic questions answered.

TRACK 2 – Beyond the Basics:

Thriving in college requires purposeful engagement. This track is for students and parents who have been to campus, but want to learn more about three important areas within Pathways. The sessions are designed to be fun and informative so you can find the services and experiences to be a successful student at NEC.

TRACK 3 – Building Academic Success:

This track is perfect for students and families who want to take away specific, hands on strategies and resources for starting college. Through a series of interactive workshops, participants will explore ways to manage time and college commitments, both in and out of the classroom. New technology resources will be combined with tried and true techniques to allow all to find what meets their needs.
