What is the CARES Act?

The Coronavirus Aid, Relief and Economic Security (CARES) Act is federal legislation that was signed into law to provide economic relief to organizations and individuals affected by the COVID-19 pandemic. The Higher Education Emergency Relief fund (HEERF) is part of the CARES ACT which provides funds to colleges for emergency financial aid grants to on-campus students who had unexpected expenses related to the disruption of campus operations due to the pandemic. There was additional legislation signed into law on December 27, 2020.

In March 2021, the American Recovery Act was signed into law.

What is a CARES Act Emergency Grant?

The CARES Act emergency grant is for eligible on-campus students who had unexpected expenses related to the disruption of campus due to the COVID-19 pandemic such as food, housing, course materials, technology, health care, and childcare. The funds are a grant, not a loan, and do not need to be paid back. The CARES funding allocated from the December 27, 2020 law included funding for online students.
