### **LAS 2140 Barbie: More Than Just a Doll**

This course will provide students with an in depth look at Barbie as more than just a doll. How could 11.5 inches of plastic, weighing a mere 18.4 ounces become an international icon influencing art, pop culture, fashion, gender roles, body image, race, family values, and more? Can a doll really be this powerful? This course will include optional synchronous Zoom discussions.
