- Refund Policy: If a student withdraws during the semester for any reason, a refund or credit for tuition and board is issued according to the following schedule (all other charges are non-refundable): 100% prior to the first week, 75% during the first week, 65% during the second week, 55% during the third week, 40% during the fourth week, 0% after the fourth week.
 - For summer and January Term, the College refund policy is 100% prior to the first week, 80% during the first week, 50% during the second week, 0% after the second week.
 - Purchase Tuition Protection Insurance at gradguard.com/tuition/nec.
 - GradGuard™ Tuition Protection Insurance by Allianz Global Assistance reimburses up to 100% of tuition and other related expenses up to the policy limits. The coverage expands the scope of the College's refund policy by ensuring full reimbursement for tuition, room and board and other fees for covered withdrawals at any time during the semester.
 - The cost is <1% of your tuition costs. For example, if you'd like to take out \$10,000 in coverage, your cost to protect that amount would be \$99.00. The deadline to apply for fall 2021 is August 13, 2021.
