

# New England College

## Information Technology Tip Sheet

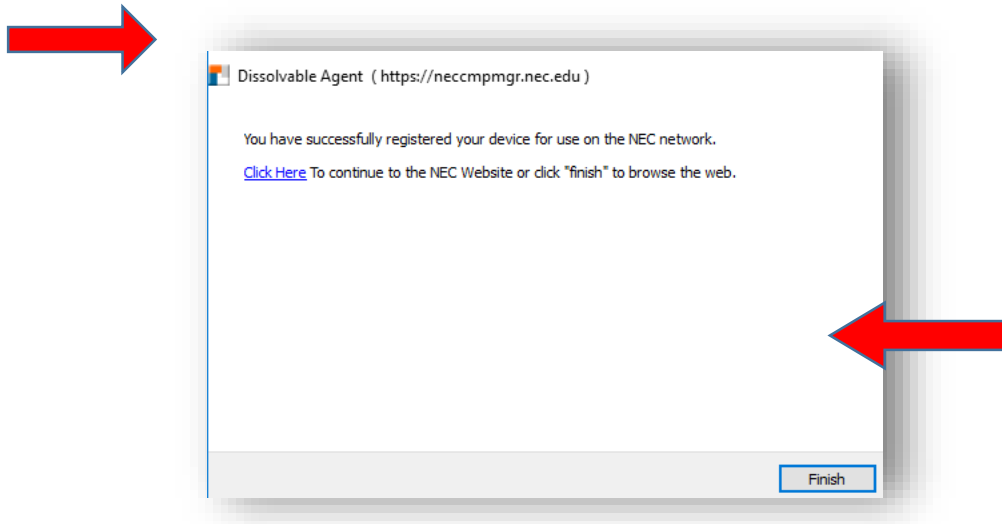

### Computer Network Registration for Internet Access

#### 4.2 "Registration Success" page (see below)

- ☐ Should appear when your computer has the necessary security software
- ☐ Once shown, simply Click on the link or "**Finish**" to browse the web

#### **\*REMINDER\***

**Some users may experience a countdown page, instead of a "Registration Success" page, depending on the device registered**

*\*Faculty & Staff using NEC computer- if you don't receive the "Registration Success" Contact the NEC Help Desk\**

---

*\*If once you are successfully registered, but you **still** cannot gain network access, please call the NEC Helpdesk at Ext. 2350 (**OR**) bring your computer to the IT Helpdesk (located below the library)*
