

TRANSFER TO NEC

TAKE YOUR NEXT STEP AT NEW ENGLAND COLLEGE

Transitioning to your bachelor's degree has never been easier. Graduates of the any community college in New England are eligible for a full-time tuition rate of \$5,000 per semester for two years (*student fees, room, and board are additional*) and receive guaranteed admission to NEC and enter as juniors.

You want a successful and meaningful career. A bachelor's degree from NEC will set you up for future success.

THE NEC ADVANTAGE

- Affordable full-time tuition: \$5,000 per semester for two years (*student fees, room, and board are additional*)
- Eligibility for federal financial aid
- Two campuses: Henniker and Manchester
- Flexible class schedules: on campus, online, hybrid, days, evenings, and weekend and small class sizes for personalized attention
- Opportunities to live what you learn

WHAT MAKES NEC SPECIAL?

You will get to live what you learn. You will get plenty of classroom time, but you will also get outside the classroom a lot and see your major in action in the real world. Work side-by-side with professors (who truly get to know you) on real projects during fieldwork and Study Away trips (included in your tuition). Plus, you can intern in your chosen field so that you're ready to launch your career when you graduate (and isn't that the whole point?).

On top of that, you can have fun on NEC's two unique campuses, cheer on 19 NCAA Division III athletic teams, try your hand on a winning esports club, and enjoy free snow sports at nearby Pats Peak Ski Area. And that's just the beginning.

YOUR PATH TO SUCCESS

Your success is the number one priority at NEC, from the day you apply to the day you graduate.

- Any New England community college graduates receive the discounted full-time rate of \$5,000 per semester for two years (student fees, room, and board are additional).
- A rolling admission process means you can start sooner.
- You will receive your preliminary credit evaluation within two weeks of your file being complete.
- You can take advantage of student services that include academic advising, career and life planning, and mentoring. You can live on campus or explore off-campus housing options.

APPLY TO NEC

- Online application: nec.edu/apply
- Official transcript from each college attended
- Official high school transcript or GED
- No application fee

COME SEE FOR YOURSELF

Register for an on-campus event or plan your campus visit at nec.edu/visit. The Office of Admission is open Monday–Friday and on select Saturdays during the academic year. Tour the campus, meet with a transfer counselor, speak with a faculty member in your area of interest, and much more.

“I came to New England College because it felt like home. Coming from a school in a large city, I felt like just a number lost in a crowd of students. At NEC, everyone is welcoming and willing to help. Faculty and staff know me and go the extra mile to make sure I have what I need to succeed now and after graduation. I have made life-long friendships and connections on campus, and that has made all the difference.”

—Emily, Health Science/Kinesiology
