Xfinity on Campus

Xfinity on Campus (TV Streaming)

For students living on Henniker campus only

All students who live on the Henniker campus have access to [Xfinity on Campus](#). This is an online streaming service that allows students to stream live TV, and watch on-demand videos directly on their laptops, desktops, smartphones, and tablets anywhere on campus (some features also available off-campus). To access this service on a TV, students will need to use a Roku streaming player, a TV with a built-in Roku, or a [compatible Samsung or LG Smart TV](#). **Note:** Xfinity on Campus is also available in all residence hall lounges on campus.

Laptops:

Got to xfinityoncampus.com.
More details available below in the Getting Started section.

Benefits and Key Features:

- Stream over 100+ live channels
- Access to Xfinity on Demand movies and television shows
