Title IV financial aid funds are federal funds used to pay tuition, fees, room and board. With parent authorization, NEC can hold the funds on the student account for prior and future charges to assist with budgeting expenses. This form is used to authorize NEC to hold credits from all sources on the student account to pay for future and miscellaneous charges unless a refund is requested. The authorization is voluntary and may be rescinded by submitting a written request to the Student Financial Services Office. This form is required prior to disbursement of the Parent PLUS loan.

TITLE IV AUTHORIZATIONS
