

Satisfactory Academic Progress (SAP) Appeal Form

Student Name: _____ Student ID#: _____

Satisfactory Academic Progress is reviewed each term to measure a student's completion of coursework toward their degree. Students must make both quantitative (pace) and qualitative (GPA) progress toward their program each semester to receive financial aid. Students who do not maintain the minimum standards for grade point average and pace of progression may lose their eligibility for federal, state and/or institutional financial aid. All financial aid applicants are subject to the satisfactory academic standards whether or not they have received financial aid previously.

Students failing to meet Satisfactory Academic Progress due to extenuating circumstances may appeal the termination by submitting this complete Satisfactory Academic Progress Appeal form to the Student Financial Services Office within 14 days of notification of termination. Appeals will be reviewed by a committee within 14 days of receipt. Incomplete appeal forms or missing supporting documentation not received within the 14 day timeframe will result in a denied appeal. Decisions regarding appeals will be made in writing to the student.
