CREDITS

12
MONTHS

“Since graduating in July of 2019, I have reflected on how much I gained from the program. The tangible benefits include looking at my teaching from another angle and completing proposals and articles related to my business. Even more impactful, though, have been the intangible benefits. I realize more fully how important it is for me to share my own voice.”

— Karen Graziano, '19

New England College offers 22 master's degree programs in the areas of accounting, business, design, education, health, STEM, and writing as well as teacher certification and a doctoral program in education. We provide the educational experience everyone wants—expert faculty, limited class sizes, personal attention, and classes on campus or 100% online.

Application Requirements

- Online graduate application
- Updated résumé
- 750-word personal statement
- Official transcript

**New England
College**

New England College (NEC) has been helping students achieve their full potential for over 70 years. Building on a strong liberal arts foundation, we challenge students through informed discourse and the pursuit of excellence in a framework of academic freedom. NEC is accredited by the New England Commission of Higher Education and offers courses on their Henniker and Manchester campuses, online, and on site.
